REGISTRAR G.A.D.

Part B for January 48

SUBJECT

Requesting Mr. B. N. Bhubaker Senior Assistant Commissioner doing duty as Secretary Secretary Appointment Sick Allowance for compensation for the loss sustained by him at the communal riots at Chanda

20/1/48

Do letter no. 2579 dated 24th April 1947, from the Chairman and Managing Director Mysore Spun Silk Mills Ltd forwarding an application from Mr. B.H Abu Baker asst Comptg doing duty as Secy of the Company, praying for the grant of adequate compensation for the heavy losses sustained by him in the communal riot at Channapatna on 16/12/46

1 The total value of the property lost and belonging to Mr B H Abu Baker last and damaged in the communal riot at Channapatna on 16th December 1946 is estimated at Rs 30 000/-. The representation of Mr Abu Baker in this behalf was also considered by the Board of Directors of the Company when it was resolved that his representation to be compensated for the loss be sent up for favourable and sympathetic consideration of Govt and that on receipt of orders of Govt thereon the question of what relief may be granted by the Company in this respect be brought up for consideration of the Board.

2. There are no instances in the past

in which the loss sustained by an office in a communal riot has been compensated by Govt

3 It is also not known if any of the property has since been recovered by the Police. For orders whether an enquiry in this behalf may be made

4. Besides mr Abu Baker says that the property was lost and damanged ~~the~~ The details in this behalf have not be furnished. It has therefor been not possible to assess the value of the damaged property.

Submitted for orders

5. The representation for compensation given by Mr. Abu Baker is of an unusual character and has neither a precedent nor a parallel and it is, therefore, essential that the circumstances under which Mr. Abu Baker is stated to have incurred this loss and the quantum of relief, if any, that has to be awarded, have to be considered so as not to create bad predecents.

6 The following points, therefore appear to require further elucidation and information will, if approved, be called for.

(1) Mr. Abu Baker states in his representation that he was "an innocent victim of mob-fury started particularly in ~~his~~ my case by a few discontended and disgruntled employees of the Mills at Chennapatna whom he had to discharge a few days before the incident as a measure of retrenchment".

7. If what he says is true, it has to be admitted by him that he knew who exactly were the persons who were involved in this alleged mob fury and it will certainly be a point of enquiry to ascertain

of any complaint was lodged by him against those "discontented and disgruntted employees" and if so at what stage the case is pending.

(2) It is stated in the representation that one of the Supervisors went to the extent of intimidating him by writing threatening letters and trying to incite the labourers to strik and use violence and that he had to consequently dismiss that Supervisor from service even before the period of the notice of discharge expired.

He also refers to the series of letters addressed to him by this supervisor and quotes the contents of one of such threatening letters, the contents of which are follows:-

"Unless I (Mr. Abu Baker) was transferred immediately from Channapatna, I (Mr. Abu Baker) would be made the hero of Channapatna communal disturbances".

It is necessary to ascertain what action was taken by Mr. Abu Baker on these threatening letters and particularly the one referred to by him and also indicate what reference it has with the communal disturbances of which he would be made "the hero".

(3) Did he keep the Police informed of these threatening letters which have some bearing upon the communal situation in the place particularly when he happened to be a Muslim and he was the Ex-Sub Division Officer of the place

(4) Why is the representation seeking for relief or compensation made in April 1947 while the incident actually took place on 16th Decr. 1946

(5) What is the basis for the long list of articles which contains as many as 72 silk sarees of a costly nature Was not this list given to the Police while lodging a complaint? As several articles are of an identifiable

nature, has not one or some of them traced or recovered.

(6) It is said that a resolution of the Board of (Mysore Spun Silk Mills) was passed on the 19th Decr. 1946, three days after the incident. A copy of the said resolution may also be obtained.

7 In addition to the above, it seems necessary to obtain a clear report of the incident as also the damages caused in the rioting from the Inspector Genl of Police as the local police who are sure to have official knowledge of these incidents, would have recorded the extent of damages caused, the circumstances that led to the incident and the action taken thereafter.

8) I think a full clear report based on the official records may be obtained both from the I G P & the Dy Comr Bangalore Dt

9 We may also obtain a copy of the resolution of the Board of Directors of the Spun Silk Mills (of 19th Dec 1946)

10 There appears to be no doubt that the house & belongings of M Abu Bakar were looted in the course of the disturbances and there is nothing unreasonable in his claim for some relief ex gratia in view of the losses sustained by him. The Spun Silk mills apparently are disposed to consider his request sympathetically. Such relief if any which may be granted on further scrutiny can be only on an ex gratia basis and as a

The accompanying papers relate to a representation from Mr. B. M. Abu Baker, Senior Assistant Commissioner, doing duty as Secretary of the Mysore Spun Silk Mills Ltd., for grant of compensation to him for the loss sustained by him in the communal riots at Channapatna in December 1946.

The Chairman of the Mysore Spun Silk Mills Ltd. in forwarding the application of Mr. Abu Baker praying for the grant of adequate compensation for the loss sustained by him in the said riots, has explained the circumstances in which Mr. Abu Baker was the victim of the communal riot and has recommended to Government that his application may be considered sympathetically. He has also stated that on receipt of the orders of Government about the measure of compensation, which they may be pleased to sanction to Mr. Abu Baker, the question of granting additional relief to him by the Company, if need be, will be considered.

A report was, therefore, called for both from the Inspector General of Police and the District Magistrate, Bangalore District, in the matter.

The District Magistrate, Bangalore, has furnished a detailed report supported by the reports obtained from the District Superintendent of Police and the Sub-Division Officer, Closepet Sub-Division and states that except the statement of Mr. Abu Baker there is no other evidence as to the details or the value of the property lost He, however, states that he visited the house of Mr. Abu Baker soon after the incident and found hundreds of his articles damaged and strewn about on the floor and recommends an ex-gratia payment of Rs.5,000/- to Mr. Abu Baker by the Government as against the loss of property estimated by Mr. Abu Baker at about Rs.30,000/-. The Deputy Commissioner also proposes that the Mysore Spun Silk Mills Company Limited, may be moved to sanction a suitable additional relief to Mr.Abu Baker.

13

The question of compensation to be granted to Mr. Abu Baker was considered at a meeting of Council held on the 22nd October 1947, when the following resolution was recorded:-

> "Council regrets that, as there are no rules governing such cases and as it may create a precedent which will be inconvenient, the compensation asked for cannot be granted."

Dear Sir,

In submitting herewith an application from Mr. B.M. Abu Baker, M.A., Secretary of this Company, praying for the grant of adequate compensation for the heavy losses sustained by him in the communal riot at Channapatna on the 16th December last, I beg to state that, as the Government are aware, there was a serious Hindu - Muslim communal riot at Channapatna on the 16th December last in the course of which a few lives were lost and a number of houses and shops belonging to the members of both communities were attacked and looted. Mr. B.M. Abu Baker, M.A., who holds the permanent appointment of Assistant Commissioner under Government and whose services have been lent by Government to the Mysore Spun Silk Mills, Ltd., for employment as Secretary to the Company was one of the worst sufferers in the looting. As his house was situated very near the entrance to the town from the Mysore side it formed a prominent and easy target of attack for the huge mob of several thousands of persons who rushed into the town from the adjacent villages on receipt of information about the brutal murder of the Hindu Head Master of the local High School by some Mohammadan participants in the riot and every bit of property in the house - including furniture, vessels and crockery besides clothing, jewels, cash and other valuables was either looted or completely smashed and destroyed by the mob It was with great

great difficulty and almost by a miracle that Mr. Abu Baker and the members of his family consisting of his wife, daughters and sons managed to escape with their lives with no other properties left except the clothing they were wearing on their persons at the time I visited his house the day after the occurrance and saw myself the immense havoc that had been committed therein by the riotous mob. I understand that the terrible experience that the inmates of the house, particularly the ladies among them passed through in their very narrow escape from death at the hands of the rioters has almost unhinged the minds of some of them and that they have not even yet fully recovered from the effect of it. While the Government will, no doubt, take suitable steps to have the offenders punished and dealt with according to the law for the atrocities perpetuated by them, no amount of punishment to which they may be subjected by the criminal courts will afford any consolation or relief to those whose properties were looted or destroyed by the rioters, and the victims of the riot have therefore to look only to the Government for adequate relief and compensation, as an act of grace though not entitled to as a matter of right under the law. In the case of Mr. Abu Baker, who has lost every bit of property in his house, his losses being estimated at about Rs. 30,000/- as per detailed list attached to his application, his prayer for adequate compensation deserves all the greater consideration as he is also an Officer of Government though working under the Company for the time being and there is reason to believe that the rioters who attacked his house were joined and goaded by some ex-employees of the Company whose services had to be dispensed with by him in the honest and conscientious discharge of

of his duties as Secretary of the Company. In the above circumstances, I beg to submit his application for the favourable and sympethetic consideration of Government in accordance with the resolutions of the Board of Directors a copy of which is herewith attached.

On the receipt of the order of Government about the measure of compensation which they may be pleased to sanction to Mr. Abu Baker, the question of any additional relief being granted to him by the Company if need be will be placed before the Board for consideration.

Yours faithfully,

Chairman &
Managing Director.

CHANNAPATNA
(MYSORE STATE)

Dated 4th April, 1947

Dear Sir,

I am very grateful indeed to the Dewan Sahib of Mysore and the Ministers to whom I paid my respects in person and informed them of the details of the unhappy incident of the looting of my house on the 16th December 1946 at Channapatna and the Directors of the Company for their expression of sympathy for the losses suffered by me during the recent distur bances at Channapatna and for the resolution recorded at the meeting of the Board of Directors held on the 19th December 1946 proposing to afford me relief for my heavy losses. The details of the unfortunate incident are fully within the know ledge of the benign Government, your goodself and the Directors of the Company and need no repetition by me here. I need hardly state that I have become an innocent victim of mob-fury started particularly in my case by a few discontented and disgruntled employees of the Mills at Channapatna, whom I had to discharge a few days before the incident as a measure of retrenchment. As you are kindly aware, I had to discharge about two hundred workers and some Supervisors of the

Filature

Filature Department a few days before the disturbances as a retrenchment measure which resulted in a lot of agitation by them and discontentment among them. One of the Supervisors went to the extent of intimidating me and the then Filature Assistant - Mr.B.L.Krishnaswamy - by writing threatening letters and trying to incite the labourers to strike and use violence. I had consequently to dismiss him from service even before the period of the notice of discharge expired. This official also addressed a series of letters to you in one of which he definitely threatened that "unless I was transferred immediately from Channapatna, I would be made the hero of Channapatna communal disturbances". Unfortunately, communal disturbances suddenly broke out in Channapatna on the 16th December 1946 and taking advantage of this situation, these disgruntled workers and officials organised an assault on my house and the frenzied mob completed the job started by them by looting and destroying all my property in my house while I barely managed to escape with my family against grave danger to life a few minutes before they broke into my house. Except the clothes we were wearing

at

at that time, we lost everything including jewellery, cash, clothes, crockery, utenwils, all my life's savings and all articles of my wife's dowry and jewels and clothes and other articles which had been got ready by me for the marriage of my daughter and by my mother-in-law for the marriage of my sister-in-law, which were both to come off within a couple of months at my house at Channapatna. In addition, the property of my two relations who were staying with me as my guests at that time was also looted and taken away. The total value of the property lost and damaged is estimated at Rs.30,000/- as per the enclosed lists even at the lowest estimates; and the replacement of things lost will cost me very much more in these hard days when prices of things have gone up by three or four times their original value. Apart from the financial loss the mental shock and suffering that my family has had to undergo has been terrible. But I a m extremely grateful to merciful God that things were not - worse than what they were and that our lives and honour were spared.

It is more than three months since I became a victim of the mob-fury for no fault of mine except that, perhaps, I had

had to incur the displeasure of a number of persons in the discharge of my duties. During this period apart from the worries that I have had to go through I had to borrow ~~very~~ large sums of money for setting up house afresh and providing barest necessities of life to my family. I have to discharge these debts and my commitments to my relatives whose property has also been lost along with mine in addition to giving a proper house and comforts to my people who have gone through a horrible ordeal which has told very badly on their health. I therefore beg to request that the matter may kindly be placed before the Government and the Board of Directors and adequate compensation got sanctioned to me for my losses as early as possible.

Thanking you and with respects,

Yours sincerely,

"Subject No.8: Application of Mr. B.M. Abu Baker, Secretary, for compensation towards losses incurred by him as a result of the recent disturbances at Channapatna.

In view of the heavy losses sustained by Mr. Abu Baker by lobting and destruction of his entire property— all in fact except the clothes which he and the members of his family were then actually wearing on their person during the communal riots in Channapatna in December 1946, it was resolved that his representation to be compensated for the loss be sent up for the favourable and sympathetic consideration of Government and that on receipt of the Orders of Government thereon, the question of what relief may be granted by the Company in this respect be brought up for the consideration of the Board. In this connection the Chairman brought to the notice of the Board the opinion expressed by the Legal Adviser regarding the limitation on the powers of the Board to pay any substantial amount of compensation to the Secretary without the sanction of the General Body."

Office of the Dist.Supdt.of Police,

Dated the 6th August, 1947.

To

The Deputy Commissioner,
Bangalore District,
Bangalore.

Sir,

With reference to your memo No.Jl.C.65/47-48, dated 23-7-47, calling for a report regarding the representation to Government by Mr. B.M. Abu Baker, Senior Assistant Commissioner, doing duty as Secretary to the Mysore Spun Silk Mills,Ltd., for the grant of compensation for the losses alleged to have been sustained by him in the course of the communal disturbances at Chennapatna on 16-12-46, I have the honour to state that it is reported that Mr. B.M.Abu Baker, Secretary of the Mysore Spun Silk Mills Chennapatna, gave a complaint alleging offences of house breaking, dacoity and grievous hurt (Sections 454-395 and 326 I.P.C.). Accordingly a case in Cr.No.33/46-47 of Chennapatna North Station was taken up by the Inspector of Police, Chennapatna Taluk and the properties said to have been lost is roughly estimated as Rs.27,950/- and the same figure is noted in the F.I.R. submitted by him to the court.

Subsequently, this case was investigated by Mr.J.M. Murthy, Police Inspector, on special duty at Chennapatna in connection with the investigation of cases arising out of the communal clash, and properties worth about Rs.300/- was recovered from accused Srinivasamurthy and 6 others and the properties were identified by the complainant. The case was charge-sheeted and is pending trial before the court.

It has been reported ~~that~~ true that the house of Mr. B.M.Abu Baker was looted on 16-12-46 by the Hindus and almost all his belongings except that of an Iron safe were removed or destroyed. All efforts to secure the remaining properties have prooved futile, since it is suspected that

that the culprits have destroyed all the properties as th offence was committed only oft of communal frenzy. It is further reported that there is no body to speak as to the value of property, except that of the complainant. The copy of the complaint, detailed list of properties lost, the mahazar drawn up at the scene of occurrence and copies of the resolution of the Board of Directors of the Spun silk Mills, Passed on the 16th and 19th December 1946 are herein enclosed for kind perusal.

Regarding the details of damages or losses sustained by the other residents of Chennapatna during the disturbances, it has been reported that so far no one has claimed any damages. A statement showing the Crime Numbers, Sections, name of the Complainant and the total worth of property lost is also enclosed for kind reference.

Sir

I write to state that after the disturbance, last Sunday
occurred in the Town I went near the Police station and after
trying to peep there which proved in vain and after requesting
my children from the school where they were studying I
returned home at about 11-15 AM I saw large crowds pushing
towards the Town with the Lathi sticks and other weapons and
shouting in an excited manner On about to reached large
crowds had gathered around my house I tried to plead to
them and to persuade them to go away to their places Instead
of listening to me they began to throw stones. Then seeing
Mr Ramanna our milk Electrician also trying to send away
the crowds and also peeping some of the leaders who were
trying to instigate the mob pointing them towards my house
by pointing hands and waving fists at me I called him
and he advised me to try and shift my family to my
house as the mob was becoming violent In the meanwhile
Mr Shamnanna Gowda and Nanadeep Mangalavar Sir
Came there and peeped the crowd who became more. They
also advised me to shifting my family to some other place
as they themselves could not stay there to prevent himself
and the mob might become violent I realised the grave
situation and rushed into the house and put on my shirt
and taking a van and took them to the house of Mr Deep
while Mr Shamnanna Gowda and other tried to stop the
crowd away I then came back in the van and took
the remaining ladies who were left in the house and
Coming I found Sri N. Parameswarappa and one Bhowapp
who had both been deputed by me from service in night
as Supervisors in an enraged mood and abusing
and shouting at the mob driving their fists at

A few stones also struck the main door & immediately thereafter pulling my Pathan in van. I saw both the Hindu boys Ramanna and Gowda and his brother were standing before the crowd in this fierce and tried to pacify the crowd.

Soon after our Ramannagowda went away towards Rice mills & I was observing from the window in about 2 or 3 minutes, pelting of stones towards my house commenced & I saw from the windows of Asst house that Somerasa Reddy Chandalla rushed towards my house and that a large crowd advanced towards my house following them the mob began to assault the door and windows with lattis & pushed at the doors I became very apprehensive for the lives of driver Ghouse Sharief and another khadar, who were left behind in my house, in a few seconds the crowd had broken into my house and they came out with my things they looted my house for over two hours and thirty minutes i.e till about 3pm when the ASP came that side After the things had become ?[illegible] about 4pm I went to the Police station where I met the ASP the DC and the S.D.O. & A.S.P they came to my house & saw the loss also All my property has been looted and even the almirah has been broken open by a hole in the rear through which they have removed my things that were kept. Perhaps which is in one or two shelves. I am afraid my property roughly stated as follows have been looted.

1) Cash of Rs 5500/- 4000 in ten rupee notes in cloth bag in a big trunk, 570 in the almirah 150 in a wooden cash box.
2) Gold jewellery worth Rs 6000/- including silver articles.
3) Silk Sarees blousers & other clothes Rs 9000/-
4) Utensils, vessels & other articles Rs 2000/-.
5) One Jaffron D.B.B.L gun in good condition with 20 Cartridges Rs 300/-
6) one old gun in disrepair Rs 150/-
7) Gramaphone Singer machine radio etc Rs 1500/-
8) Clothing in two trunks of one of my guests of this khadar & his family from Bangalore Rs 2000/-

(2)

9) Property of another guest from Tamjore Rs 500/-
10) Furniture Rs 1000/-

I am not in a position to furnish details of my property but will do so immediately. I am able to drop a word with the assistance of my wife who is practically stunned by this incidence Besides I must also find out what else is left at from the loot I had in my house I am afraid nothing is left except I saw the furniture which is also very badly damaged I learnt that my driver Shanpe Shankar has been badly assaulted is lying in a precarious condition in the local Hospital I do not know what the fate of other boy Khadar is I also request you to kindly find out about him & try to trace my properties and book the offenders

Sir

I write to state that after the disturbance that took place in the Town I went near the Police station and after trying to find by there which force I again and after hearing my children from the school where they were studying I returned home at about 11-15 am, I saw large crowd pelting towards the Town with the Kallu stones and other weapons and shouting in an excited manner. On about to reach my house crowds had gathered around my house I tried to persuade them and to persuade them to go away to their places. Instead of listening to me they began to throw stones. Then seeing Mr Ramanna, our Hills Electrician also trying to send away the crowds and also pacifying people he was also trying to disperse the mob pointing them towards my house by pointing hands at me. I called him and he advised me to fly and also my family to his house as the mob was threatening violent. In the meanwhile Mr Shanmugam Pillai and Gopalan Mangalavanam Came there and pacified the crowd who became quiet then also advised me asking my family to send to their house as they themselves could not stay there to pacify the mob and the mob began beating violent I started the grave situation and gathered near my house and put on my children and Radhika Vasu and took them to the back of the house Mr Shanmugam Pillai and others helped them crowd away. I then came back to the Mandir and took the grievances with ladies who were left in the house and while coming I found Mr. N Purushothaman and one Velayudhan who had both been detained by me from service with the Supervisors as an engaged guard and abusing me and shouting in the public obtaining their fists and

A few stones also struck the van but I managed to proceed and telling any people in van, I saw back to the A.S.P his house Thiruchelvam Gnanachandran Gowda and his house were standing before crowd in this front and how to proceed to Trincomalee

Thereafter our Thanmanagada went away towards two miles I was discovering from the London in about 2 or 3 minutes seeing of stones towards my house crowd commenced; I from the verandah of Asp's house near Srimurugan Kovil the crowd reached towards my house and near a large crowd advanced towards my house following them the mob began to smash the door and windows with attics & pushed at the doors. I became very apprehensive for the lives of driver Gnanaraj and another khadar who were left behind in my house in a few seconds the crowd had broken in to my house and they came out with my things they looted my house for over two hours and thirty minutes to till about 3pm when the Asp came that side. After the things had become emptied then I went to the police station where I met the Asp the A.C and the S.D.O, A.S.P. they came to my house, saw the losses also All my property has been looted and even the Almerah has been broken open by a hole on the rear through which they have removed my things that was kept perhaps which is in one or two shelves. I am afraid my property roughly stated as bellows have been looted.

9) Property of another guest from Tanjore Rs 500/-
10) Furniture Rs 1000/-

I am not in a position to furnish details of my property but will do so immediately. I am able to drop a word with the assistance of my wife who is practically stunned by this incidence. Besides I must also find out what else is left at from the loot I had in my house. I am afraid nothing is left except I saw the furniture which is also very badly damaged. I learnt that my cousin Srinivasa Gharcar has been badly assaulted is lying in a precarious condition in the local Hospital I do not know what the fate of other boy Khadar is I also request you to kindly find out about him & try to trace my Properties and book the offenders
